**APPLICANTS' COMMENTS ON EXAMINER'S STATEMENT**  
**OF REASONS FOR ALLOWANCE**

In the Examiner's Statement of Reasons for Allowance, the Examiner stated that the prior art references fail to teach portions of independent claim 1. The applicants note it is a well-known tenet of patent law that each allowed patent claim stands alone. Further, although the Examiner has indicated at least one reason for allowance, there can be other reasons that claims are allowable.

Respectfully submitted,

---
